MINUTES OF THE SPECIAL CALLED MEETING
Monday, June 22, 2015 at 5:45 p.m.
City Hall

Mayor Patricia Wheeler called the meeting to order at 5:45 p.m. Present were Council Members Coletti, Higgins, Mailman, and Redmond—constituting a quorum. Council Members Johnson and Wells were absent.

NEW BUSINESS

Short Term Facility Agreement – The IBMF (International Bicycle & Music Festival) – Event Date July 18, 2015

Council Member Coletti made a motion to approve, seconded by Council Member Mailman. There was an opportunity for further discussion. Council Member Mailman asked if designated areas have been chosen for the open container resolution. City Manager Gary Peet informed Council that the parameters of the resolution have not yet been set. Mr. Peet also informed Council that there is currently no fee schedule for closing City streets. The administration recommends $15.00/hour for the street closure – with this amount to be specifically for this application. The host of the event is a local business and a non-profit organization and the event promotes the awareness of diabetes and cycling health. Mr. Peet further informed Council that the open container ordinance spells out the details to be included in the open container resolution. Council Members Coletti and Mailman were both concerned that beer and wine sale locations for this event be sure not to obstruct the parameters of local restaurants that also serve alcohol. Mr. Peet informed Council that the applicant has been advised to work with the business association and other merchants to notify businesses of the street closure. There being no further discussion, Mayor Wheeler called for a vote on the matter.
Motion passed 4-0.
